13 landscape architecture projects win awards
By JOURNAL STAFF

The Washington chapter of the American Society of Landscape Architects recently honored 13 landscape architecture and urban design projects in the Pacific Northwest with its 2012 Professional Awards.

Forty projects were submitted.

No honor awards were given this year and no awards were given for residential design/design build. The merit and special mention winners are below.

WASLA 2011 fellows Daniel Winterbottom, Peggy Gaynor, John Mack Roberts and the late Robert Shrosbree were recognized at the ceremony.
